

HULL, William Roy Jr. and Elizabeth Marie Giles

I was born June 10, 1924, to Frances Leggett Hull and William Roy Hull in Brigham City, Utah. We lived in Brigham until I was

about five years old. Then we moved to Mantua, about five miles east of Brigham. I started school in Mantua.

In 1939, my dad bought a fish hatchery in Murray. After finishing the eighth grade we moved to Murray from Mantua to run the hatchery. I attended the ninth grade at Olympus Jr. High in Holladay. I finished high school and graduated from Granite High in 1943, and worked at the fish hatchery for five years during the summers after I graduated. In June, 1944, after one-year deferment for work, I enlisted in the Navy and was released in May, 1946.

What a great day May 21, 1927 was! Besides being Marie's birthday, Charles A. Lindbergh landed in France on completion of his famous solo flight across the Atlantic Ocean, just 15 minutes after her birth. The whole world was excited over this historic event. I was the first of nine children born to Dorothy Jacobson and Albert Waterfall Giles, and named after my two grandmothers, Elizabeth and Marie. My father's parents were from England, and mother's parents were from Denmark.

My father was principally a farmer, but for several years while I was at home, he hauled coal for a firm in Salt Lake City. We didn't have very many of the conveniences of life.

I began my schooling in Bountiful. When I finished the fourth grade, my family moved to South Salt Lake where I went to Madison School 5th through 9th grades.

During my fifth grade I was introduced to girl scouting. My story would not be complete without the fun experiences, choice friendships, and personal growth that came out of Girl Scout Troop #24. Our leader, "Sunny", Signe B. Luke, was like a second mother to all of us 10-year-old girls. We grew up, graduated from high school, got married, and had families, all under her watchful concern. Even until she died in 1979, we held almost yearly reunions. Being a very shy, bashful girl my growing-up years were greatly enriched by the love the girls and good leader had for me. Even now I cherish the experiences and memories of singing, camping, hiking, playing that we enjoyed together.

After finishing the ninth grade my family moved to the Holladay area. I graduated from Granite High School in 1945.

My first job was sewing the beautiful casket linings for Midwest Casket Co. This was the beginning of a life-long sewing career.

At this time I was living across the street from the Hull fami-

179

ly. Their son Bill was in the Navy. Frances Hull would tell me about him when I went to their home to use the telephone. She wrote to her son, Bill every day.

On December 5, 1947, we were married in the Salt Lake Temple, accompanied by our mothers.

Our first home was in Murray. Bill worked for his dad at the trout farm. I was sewing casket linings. Two years after we were married our first son, James Roy, was born Nov. 30, 1949. On Dec. 10, 1950 we had another son Robert Craig. Come February 20, 1952, we were blessed with a baby girl, Charlene. Next came our youngest son, David Warren, born May 31, 1954. We had one more daughter, Dorothy Lorraine born on Sept. 11, 1959. This completed our family.

Bill continued to work for his dad on the fish farm. In 1963, we found ourselves in Heber City with a new challenge for us and our children. Bill, along with his dad, worked hard to establish a new fish farm located on Heber-Kamas Road. We were living in Heber 5th Ward at this time. We helped in the building of our current building — 2nd & 5th Ward Chapel and Stake Center. Bill served as second counselor to Bishop Bates in 1967. Our three sons and one daughter served LDS Missions from 5th Ward.

In 1979, some major changes occurred in the Ward boundaries, and we were included in Heber Second Ward.

Over the years, wherever we have lived, we have enjoyed choice experiences through trying to live the gospel the best we could and serving in our callings. We appreciate the many choice friendships that have developed while living in Heber 2nd Ward. 180
